### HOW THE RACE WAS RUN.

RACE TRACK, WESTCHESTER, May 3.—The field was called to the post at 4.10 o'clock, and paraded by the stand, applauded by the crowd which lined the lawn. They broke at the corner of the field and cantered to the post at once. They were there only a few moments when Mr. Fitzgerald's quick eye eaught them in time and, calling "Come on!" he raised the barrier. The lightly weighted Smoke at once shot to the front, followed by Pentecost, Arsenal and Col. Padden. The tail-enders were eagerly watched.

It was seen that Alcedo and Lux Casta were so badly of as to have no chance at all, and their followers at once resigned all hope. Smoke showed the way to the turn where the lightly weighted Arsenal rushed by her and made pace around. He took a lead of a couple of lengths on Smoke and then Chilton loosened up into third place.
